On 23rd July 1962, Constable Pandurang Yeshwant Tandale and Constable Sahibrao Vishwariath Shinde, attached to the Railway Police Station, Sholapur, were escorting the accused in a theft case from Dhond to Sholapur. At about 15.30 hours, the prisoner expressed a desire to go to the lavatory situated near the exit to the compartment. Constable Tandale escorted him. As soon as the prisoner reached the lavatory he suddenly flung open the door of the compartment and, in a bid to escape, jumped off the running train which was entering the yard of the Mohol Railway Station. Constable Tandale jumped after him, but in doing so unfortunately struck his head against the wall of a culvert receiving serious injuries to which he succumbed. CENTRAL WAGE BOARD FOR IRON ORE MINING INDUSTRY

The Board received requests from labour organisations and Unions for an interim wage increase. The Board thereupon invited from employers and from labour their views in writing and also heard their oral submissions. After carefully considering all relevant questions, the Board is satisfied that the demand of labour for an interim wage increase is justified and makes the following recommendations :—

1. All workmen (time-rated as also piece-rated) as defined in the Industrial Disputes Act, working in Iron Ore Mines should be paid an interim increase as worked out below :—

Note : Workmen employed by or through contractors in all processes directly connected with the raising and despatch of iron ore will also be entitled to the interim increase.

1. The minimum emoluments of an unskilled worker should be raised to Rs. 2.50 nP, per day or Rs. ₹5 per month.

Note : Emoluments include Basic wages, Dearness allowance, cash food subsidy and/or value of food concessions in cash or in kind but not bonus.

1. Employers giving foodgrains at concession rates to workers shall work out the value of food concessions as on 1-12-1963. Thereafter, they shall work out as to what increase the minimum paid workman would get in a particular Mine on the basis of the above minimum emoluments. All workmen in that mine should be given this amount as interim wage increase.
4. The interim wage increase shall not count for Dearness Allowance or bonus, if any; but shall be taken into account for other purposes like provident fund, over-time, leave with pay, paid holidays, maternity leave, retirement benefits, etc.
5. All workmen should get a minimum interim increase of Rs. ₹7.80 nP. per month (i.e. 0.30 nP. per day).
6. In case of workmen, whose total emoluments are Rs. 100 and above, but less than Rs. 150 should be paid an interim wage increase of Rs. ₹10.40 per month (or 0.40 nP. per day) and those who get Rs. 150 and above shall be paid Rs. ₹13 per month (or 0.50 nP. per day).
7. In those cases, where workmen are already getting an interim wage increase as a result of recommendations of the Iron & Steel Industry Wage Board, no further interim increase will be given.
8. The amount of interim relief shall be shown as a separate item, till the final recommendations of the Wage Board are made and thereafter such final recommendations will prevail.

9. The interim wage increase should be paid **with effect** from 1-1-1964.

10. The employers' representatives on the Board stated that the above increase will have the effect of increasing the cost of production of iron and steel and will also affect them in respect of exports. The Board has not been able to examine these points carefully at this stage though it does feel that there is a *prima facie* case on these points. The Board would recommend to Government to examine these questions and take appropriate action.
